

A Moment on the Lips

For ace PI Dix Dodd, this assignment should be a piece of cake: help her best friend Rochelle's sister, Tatum, get rid of a persistent (not to mention married!) ex-boyfriend. Unfortunately, Dix's plan backfires, and Tatum winds up kidnapped. Now it's up to Dix and her trusty (not to mention delicious!) PI partner, Dylan Foreman, to save the day. Preferably before Rochelle realizes Dix let her baby sis get nabbed. But even before her nemesis, Detective Richard Head, butts his way into the case, Dix gets a sense things are a little more complicated than she thought. She finds there are more layers to this mystery than the most decadent of cakes.
