

Scout and Josh never expected to find their mates in prison. Surrounded by humans, their number one concern was staying anonymous and hiding their true nature until they could once again be free. But when these Alpha and Omega shifters meet, neither man can deny their true nature any longer. But there are other secrets in the prison, secrets that could mean big trouble for these two star-crossed soulmates. Can Scout and Josh make their secret jailhouse romance work, or will life behind bars tear them apart? And what happens when a pregnancy gets thrown into the mix? Will Scout and Josh find freedom and happiness together? Find out what happens in this standalone steamy gay romance with absolutely NO CLIFFHANGERS, a guaranteed HEA ending, and male pregnancy, or Mpreg. Free bonus short story included as a free gift.
