

Rails Across Australia: A Journey Through the Continent

Rails Across Australia is an album of photographs taken by David Cable, a well regarded British author of several picture albums of train pictures throughout the world. The photos were taken initially during the period 1967-1973 when David lived in Adelaide, and then during several visits around the Commonwealth during the 21st Century. The photos cover a wide variety of trains in the mainland states from Queensland to the Pilbara region of Western Australia, and include pictures showing trains in the landscapes as well as close up photos of different gauges originally established in a various states are illustrated by the individual classes designed for them, in addition to the newest designs for the standard gauge tracks now linking them.

Australia's biggest train journey, in every sense of the word. The gauge line was finally completed across the continent from Sydney to Perth, some 4,500 miles. Like the Indian Pacific, the Ghan is now run by Great Southern Rail, and has a single train journey from Sydney to Perth (linking the Indian and Pacific). Prior to this, travelling across Australia by train between Perth and Sydney was a 21-day journey. Today, however, the irony is that railway buffs can see more of the rail history of the continent. Australia's pioneers had a grand vision for the railways, to cover a continent.
