

After a bitter divorce from her cheating husband, Makayla searches for her muse in the remote hills of Spain. When she flings open the door of her villa, she finds it in the form of intense blue eyes and a killer body attached to a thick Spanish accent. Armand has lost everything. His magic and his freedom are taken when an evil curse is placed on the Jinn, bounding him to earth. With only his immortality and ability for seduction, he sets his sights on the dark haired newcomer in town. What begins as desire in the steamy nights of Spain, quickly leads to something more meaningful. However, when evil emerges from the shadows, Makayla learns she must choose between her mortality and Armands freedom.
