

## Beach Roses

Miracles happen where you least expect them. No one captures the tides of a woman's heart quite like Jean Stone. Set on New England's celebrated Marthas Vineyard, this novel brings together three courageous women whose struggles reveal startling truths and ultimately change their lives. The women begin as strangers: Rita has a past that cannot stay hidden for long; Katie, the vibrant rock star, must choose between saving her own life and the life of her unborn child; Hannah, a selfless housewife, finds herself abandoned by her friends just when she needs them most; and Faye, the wealthy executive, thinks she's already survived the greatest fight of her life. Before the summer ends, these women will form a lasting bond in a season when old hurts are finally healed, love is rekindled, and life begins anew. From the Paperback edition.

- 7 min - Uploaded by AvenabotanicalsvideoJoin Deb in the Rose garden to explore the medicinal actions and indications of *Rosa rugosa*. These wild roses grow abundantly in dune areas, on the beaches of New England, and this photo brings back lots of memories.
