MF [Siren Classic: Erotic Futuristic Sci-Fi Romance, vampires, spanking, HEA] As a lady of her world, Violet Macy was raised to be gentle, considerate, polite, and demure. But the training she gets when taken off the streets is more than even she can bear. Armed with knowledge of the enemy of her people, she makes a daring decision and heads straight for them. As colonel of a ship in the Vampire fleet, Titan Rostam has seen and dealt with many things. But a half-naked female requesting asylum is a first for even him. With danger nipping at her heels in the form of the Syndicate, he has a choice to make-hand her off or marry her. The choice he makes will reshape his life. As a seer of future events, Violet had no idea just how dramatically her life would change when she escaped her prison. Now if she can only survive long enough to enjoy it with the man who surprises her every day of her life. \*\* A Siren Erotic Romance
