

Pure Sensation (Fantasys Bar & Grill Book 5)

(This book is part of a series, but can be read as a stand alone) A tropical island, two sexy billionaires, and an invitation to a summer of pure sensation. Return to Fantasy Isle where our business is your pleasure. 21-year-old Abigail Peterson had her entire life worked out until she walked in on her fiance screwing away her future, literally. Blaming her for refusing to fulfill his needs, her self-confidence is destroyed and she's promised to never trust another man again. When her best friend offers her a summer on a private island, it seems like the perfect place to forget the pain and work out the next steps of her shattered life. What her friend failed to mention is she's set up Abigail with two of the hottest men on the planet and they hope to fulfill her every desire. She lost her ex by waiting for marriage, and wonders if maybe being a virgin isn't as important as she once thought it was? Can Leif and Leon change her mind about sexuality? If they did would she be able to walk away after the summer knowing it was nothing but a fulfillment of fantasy? Welcome back to Fantasy Isle. If you can't come to us, we'll bring the fantasy to you!
