

Ice-cold and unbreakable, Travis Quinn is the HORNET team's hard-ass. No weaknesses. Except, of course, for the accident that not only destroyed his career as a Navy SEAL, but left terrifying blanks in his memory. But Travis remembers everything about Mara Escareno—the curve of her lips, the feel of her body...and how he walked out on her suddenly six weeks ago. Mara could never resist the dangerously sexy Travis, which is probably how she ended up pregnant and disowned by her family. But before Travis can fully process the news, Mara is kidnapped by his enemies and plunged into the violent, merciless world of human trafficking. They want Travis—and the information locked within his damaged memory—no matter the cost. And now Travis's enemies have discovered his only weakness...Mara.
