

Harness ACT to live a healthier life Do you want to change your relationship with painful thoughts and feelings that are holding you back from making changes to improve your life? In *Acceptance and Commitment Therapy For Dummies*, you'll discover how to identify negative and unhealthy modes of thinking and apply Acceptance and Commitment Therapy (ACT) principles throughout your day-to-day life, creating a healthier, richer and more meaningful existence with yourself and others. Closely connected to Cognitive Behavioural Therapy (CBT), ACT is an evidence-based, NICE-approved therapy that uses acceptance and mindfulness strategies mixed in with commitment and behaviour-changing strategies to help people increase their psychological flexibility in both their personal and professional lives. With the help of this straightforward and authoritative guide, you'll find out how to target unpleasant feelings and not act upon them—without sending yourself spiraling down the rabbit hole. The objective is not happiness; rather, it is to be present with what life brings you and to move toward valued behaviour. Shows you how to banish unhelpful thoughts Guides you to making room for painful feelings Teaches you how to engage fully with your here-and-now experience Helps you cope with anxiety, depression, stress, OCD and psychosis Whether you're looking to practice self care at home or are thinking about seeing an ACT therapist, *Acceptance and Commitment Therapy For Dummies* makes it easier to live a healthier and more productive life in spite of—and alongside—unpleasantness.

Hope Rising: Like a Bloodhound, Im Hunting it on a Long Trail, The Money Makeover, Put To Death, Therefore, What is Earthly In You: My Years in Jews for Jesus, Milagros De Tu Mente (Spanish Edition), Submerged (Bound Together) (Volume 1), Driving Me to You,
