CJ St. John never dreamed his epic summer as a smokejumper would end with a harrowing plane crash and turned him into an invalid. He wouldn't have made it through the dark night of pain and danger without brave fellow smokejumper Hannah Butcher. In fact, he probably fell in love with her that night. Hannah Butcher knows that without CJ St. John, she would have never survived her rookie summer. She admired him long before the crash, but lost her heart to him when he held her hand and kept her calm during their terrifying survival. A winter storm awakens their memories—and fears... Six months later, a mutual friend's wedding throws Hannah and CJ together again, and without the trauma between them, their romance is stirred to life. But when a blizzard detours them, and they're run off the road, they'll have to face their darkest fears to survive. A Christmas story about the miracles that happen when the weather outside becomes frightful. Deadly Night, Silent Night by Margaret Daley Revenge. Sabotage. Second Chances. Widow Rebecca Howard runs a successful store chain that is being targeted during the holiday season. Detective Alex Kincaid, best friends with Rebecca's twin brother, is investigating the hacking of the store's computer system. When the attacks become personal, Alex must find the assailant before Rebecca, the woman he's falling in love with, is murdered. The Wonder of His Love by Kimberly Rae Jordan Noella Crawford knows exactly what she wants in a man, and it's not Finlay Kinnaird. But in spite of Noella's best efforts to keep Finn at arm's length, the man is determined to prove he's the one she needs. As the Christmas season approaches, will Noella let her heart lead the way? Or will past hurts keep her from experiencing the wonder of love? Calm and Bright by Autumn Macarthur Maddie Hughes knows her charming but unreliable ex-husband will once again disappoint their son with broken promises this Christmas. But Brad's changed. He'll do whatever it takes to win her back. Even working in her grandmother's quirky Huckleberry Lake gift shop. Can they allow God to heal their broken marriage and broken hearts before his career tears them apart? Heavenly Peace by Lesley Ann McDaniel Christmas is just around the corner, but widowed mom Valerie is too stressed to enjoy it. When the tag her son picks off a Giving Tree leads her to a handsome stranger named Jake, a request for a miracle might be just what they both need to restore their joy. Wish You Joy by Jan Thompson Christmastown USA has a new CEO. But owning a majority share of the holiday-decorating company makes no difference for Cyrus Theroux if the other 49 percent hates Christmas like the plague. Cyrus prays for a miracle to get through Christmas with his reluctant business partner. After the first of the new year, he and Amy Untermeyer could part ways and never see each other again. Well, that's the goal... A Husband for Holly by Marion Ueckermann Holly Blume loves decorating people's homes, but that doesn't mean she's ready to play house. Believing a house is not a home without a woman's touch, there's nothing Reverend Christopher Stewart would like more than a wife. But what woman would consider him marriage material, with an aging widowed father suffering from Alzheimer's to look after? Can Christopher reform Holly's heart while she redesigns his home? Maid for Marriage by Susette Williams Her parents disinherited Zelina Zervos after she refused to honor their arranged marriage to a man she hadn't seen since they were children. Drake Giannopoulos had his own reservations about marrying a virtual stranger, but his wounded ego isn't about to let him take no for an answer.
