

Catch My Fall

Mia Reeves faith, trust and sense of security were all taken away in the blink of an eye. In need of a fresh start, she settles into a new town and begins to make a new life. Tristan Chamberlain has always kept girls at arms length and he has no intention of changing. Hes caring, smart, handsome, but hes also dealing with a lifetime of guilt thats slowly but surely destroying him. Sometimes what you run from is the one thing that will save you. Separately, theyre both free-falling. Together, theyre about to find that love can create the strongest safety net of all.
