

## The Swords of Gregara - Riza: a sci-fi romance (Volume 2)

Riza Lamrona was a highly sought after plastic surgeon on Alarcon. In a society dependant on machines for their health care, shes one of the few who can change the human body not just fix it like a machine. Unfortunately she has the misfortune to be the best at her job and when notorious space pirate wants to evade the authorities by changing his appearance he finds Riza. Now that the job is done he wants her dead to keep his new identity a secret. Darick Remaul is a former Space Patrol Detective who now owns a profitable kalcion mine on the planet Gregara. Its as far away from his former life as he could get. Darick has secrets of his own but recognizes someone in trouble when he sees them. Especially when its a beautiful woman. When a bounty hunter threatens her life he offers her a safe haven at his mine as their new doctor. But who will keep her safe from him? A sci-fi romance
