

## Elizabeth's Journey (Cruising to Love Book 4)

**ELIZABETTA'S JOURNEY** Sweet and sensual love story! Format: Kindle Edition

This was a lovely, romantic story of two lonely people who meet on a cruise and fall in love. Elizabetha is a wealthy and famous artist who has been hurt by love in the past. She uses an alias while on her cruise to ward off fortune hunters. On her first day, she meets an adorable little boy named Charlie and his father, the ship's doctor, Charles. What follows is a sweet story as Liz and Charles fall in love and Charlie realizes he has found a wonderful new mommy if they get married. There are some other interesting subplots but I won't give any spoilers. There are some very sensual and erotic scenes between Liz and Charles.

By Bella Swann Elizabetha had divorced her first husband and been widowed by her second. She had no thought of trying a third time. She had loved children, but it hadn't happened so she doted on her nieces and nephews. Her very successful career as an artist keeps her busy. She split her time between her townhouse in London and her farm house in Italy, and told herself that life was complete, and sometimes she even believed it. When her sister gave her a ticket on a Canary Islands cruise for her birthday, all Elizabetha envisaged was a break, a pleasant holiday. It turns out to be so much more. As she stood on deck as the ship departed England she found herself charmed by an impish six year old boy, who had a very appealing father. As their attraction deepens, trouble looms in the shadows. An attempt at blackmail threatens Elizabetha's family's happiness, something she can't let happen. While it is a love story, with humor and fun, it is also an adventure as the action moves back to England, as Elizabetha deals with the blackmailer and prepares to share her life with Charlie and his father.

**ABOUT EDWINA J WHITE** I am British, and live in Canada, just south of Vancouver. I was

about eleven or twelve when I started to write -- I thought I was destined to be a bestselling author as I penned my Perry Mason type mysteries (I hadn't discovered boys in those days!). Other interests, travel and life in general intervened, and it was many years later before I sat down to write again. The results are now available on Amazon, both on Kindle and in Print, and I'm still hopeful of becoming a bestselling author. My hobbies are quilting and cruising. I've lived in Australia and travelled extensively throughout many parts of the world. Any resemblance to me and the heroine of Francesca's Voyage is purely coincidental. Or is it? My sister isn't so sure...after all, the picture of my lucky slot machine on the Sapphire Princess is remarkably similar to one that's so lucky for Francesca in Francesca's Voyage. So she's asking me, what else happened on my cruise across the Pacific?

**BOOKS IN THE CRUISING TO LOVE SERIES** Each book is a stand-alone romance, but characters pop up in most books...so it's fun to read them in order, but not necessary.
