

Shane (Damage Control Book 4)

Meet SHANE, the newest of the Damage Control Boys, set in the world of the bestselling series Inked Brotherhood. This is New Adult Contemporary Romance. Once upon a time, my life was good. I had a family, I had a girlfriend, and hopes for the future. That was long ago, but I remember it. A hazy dream of what could have been. Thats gone now. I lost it all. Life fucked me over, and now Im scared of my own damn shadow. Im training to be a tattoo artist, but I bet Im not good enough. I have a roof over my head, but every morning Im scared shitless that Ill find myself on the street again or worse, back in prison. And every time a pretty girl looks at me, every single fucking time, I know I cant be with her. Not only because shell find out Im an ex-con and run the other way, no. Its more than that. I just cant. The thought of anyone touching me, the thought of getting aroused from that touch brings back every damn nightmare from my past to swallow me whole. Cant fucking do it. Not even if its the prettiest girl on earth Cassie. With her long blond hair and her pretty tits, her short skirts and high heels, shes all my fantasies rolled into one. See, the fact she kissed one of my buddies? Thats good. The fact she looks at me like Im a bug under her shoe? Even better. Because it means shes not interested in getting hot and sweaty with me, and that I can keep living that fantasy. The fantasy that she wants to be with me as much as I want to be with her even though I know it will never happen. ****WARNING**** If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language and violence.
