

6 Rainier Drive (A Cedar Cove Novel)

Olivia Lockhart-Griffin Cedar Cove, Washington Dear Reader, As you may have heard, we've recently had quite a shock. My daughter, Justine, and her husband, Seth, lost their business, The Lighthouse restaurant to arson. The investigation continues. The prime suspect is a young ex-employee named Anson Butler, who disappeared right after the fire. So Justine and Seth are trying to make plans and sort out their future. (And let me tell you, that kind of crisis is hard on a marriage!) Thankfully, they have a lot of good things in their lives, including Leif, my adorable grandson, and their lovely house at 6 Rainier Drive. In the meantime, life goes on for everyone in Cedar Cove with marriages, births, reunions and even the occasional scandal. One of the most interesting pieces of recent news is that Cal, who works for Cliff Harding, is off rescuing wild mustangs in Montana. Let's talk soon and I'll fill you in on everything that's happening in town! Olivia
