

Jameson Hotel: Parts 1-3 (Dark Suite Series)

MARK JAMESON is an arrogant prick with a big dick who loves to fuck. Tall, blond, muscular, dominant, and oh, so cocky. A former porn star, he now owns a luxury hotel in South Lake Tahoe. His life revolves around money, getting laid, and protecting his loved ones. He thinks of himself as a vigilante and truly believes it's a good deed to kill any bastard who harms women or torments his family. I'm not a serial killer; I'm a vigilante who rids the world of scum. Don't fuck with the people I love. JULIA BARRINGER is a young, fierce, foul-mouthed blonde who works the front desk at Marks hotel. He knew the moment she walked into his office that he'd have her in his bed before anyone else in the hotel laid a finger on her. But he never would've imagined a woman could have so much control over his personal life, his dick, and ultimately... his heart. Look at her sweet model-esque body, those big tits, and the way she wraps her lips around my giant... oh, freakin' A, this woman's perfect. But what if she finds out about the porn, the drugs, and all the bodies at the bottom of the lake? Will she run? Or does Julia have secrets of her own? Jameson Hotel is intended for mature audiences due to explicit sex, strong language, abusive situations, and murder. Some readers may find it offensive or disturbing. It also contains a touch of humor. * * * * *
