

Economics of the Public Sector (Fourth Edition)

The long awaited revision of a classic text by an expert author team. What should be the role of government in society? How should it design its programs? How should tax systems be designed to promote both efficiency and fairness? Nobel Laureate Joseph Stiglitz and new co-author Jay Rosengard use their first-hand policy-advising experience to address these key issues of public-sector economics in this modern and accessible Fourth Edition.

The long awaited revision of a classic text by an expert author team. How should it design its programs?.
