

Enslaved: Book 1 in the Enslaved Trilogy

An Amazon Erotica Bestseller!

From a red-hot erotica writer comes an original eBook--a sensual romp across the playgrounds of the unbelievably rich and extremely sexy. Elisabeth Anderson has seen Trevor and his friends at the infamous Manhattan BDSM club WhipperSnapper, where everyone calls them the BAD Boys, for Billionaire Arrogant Doms. The BAD Boys--Trevor Brooks, Marc Wilde, and Roman Chase--are aptly named; they've made money hand over fist due to their aggressive investing at the Brooks Wilde Chase Fund. These guys are so rich they can get away with anything, or so the rumors go. Trevor gives Elisabeth full reign of his estate in Westchester, letting her do as she pleases. He has only two rules. Rule One: she must obey and submit to him while she is living in his house. Rule Two: always answer the blue cell phone. She's happy to oblige, because being with Trevor makes her want to obey, to love him the way he seems to be falling for her. But Elisabeth has never been good at being the quiet sub; she's feisty and gets off on the punishments more than she does by pleasing Trevor. Elisabeth can't submit to Trevor the way he needs her to, so his friend and business partner (and fellow BAD Boy) Roman takes her in hand. But love triangles can have sharp edges...and somebody's bound to get hurt.
