

Fall for Me: A Danvers Novel

All her life, Beth Denton battled both her weight and her controlling parents. And now that she's declared victory, she's looking for her prince charming. Beth has always lived in her outgoing sister's shadow, plagued by her own insecurity about her body. It's time for her to step out from the sidelines and experience what life has to offer. Then she's laid off from her teaching job, and has to rely on her sister to get her a job at Danvers International. Nick Merimon is gorgeous, wealthy, and a well-known playboy—just the sort of man Beth has always avoided. But even she can't deny the sparks that are flying between them. He could be just the man to show her what she's been missing all these years. And after they share one heart-stopping night together, she is surprised when it leads to a relationship. But as their connection grows, and the realities of their romance begin to show, Beth will have to overcome both her own insecurities and her doubts about Nick's intentions if her newfound pleasures are to last forever.
