

**Point Blank:**The explosive action kicks off as FBI agent Ruth Warnecki hunts for Confederate gold in a West Virginia cave. She never expects to encounter the grisly murder that catapults her into a horrific plague of death. At Hooter's Motel in Maryland, FBI agents Savich and Carver are nearly killed while attempting to rescue a kidnap victim. The search is cut short when Savich takes a fateful call on his cell, as a mysterious voice threatens to kill him and his wife.**Double Take:**A respectable-looking man distracts Julia Ransom with conversation before striking her unconscious and heaving her over the Pier 39 railing into San Francisco Bay. Special Agent Cheney Stone quickly realizes the attempt on Julia's life has to connect to the murder of her husband. In Maestro, Virginia, Sheriff Dixon Noble learns about a woman named Charlotte Pallack, whose extraordinary resemblance to his vanished wife sends him across the country. In San Francisco, Dix's and Cheney's paths cross, brought together by FBI Special Agents Dillon Savich and Lacey Sherlock.**TailSpin:**FBI Special Agent Jackson Crowne is flying renowned psychiatrist Dr. Timothy MacLean back to Washington, D.C., to protect him and discover who's trying to kill him. But they don't make it. Their crash is witnessed by Rachael Abbott, a young woman who has just narrowly escaped drowning. When Savich and Sherlock arrive in Parlow, they discover Jack is down but not out, that Rachael saved his and Dr. MacLean's lives, and that she's hiding something big.
