

The internationally acclaimed business bestseller FISH! and follow ups FISH! TALES and FISH! STICKS have been a massive global success - with over a million copies sold in the States and over 400,000 copies in the UK. Now, for the first time, were shown how to put the unique FISH! Philosophy into action in all areas of our lives, ranging from losing weight to improving our personal finances. Using the same easy-to-read parable format used in the original FISH! title, this is a both a true follow-up to that book (featuring two of the original characters) and a stand-alone work that can be read on its own. Through its unfolding story, we witness the many challenges encountered by a newly created family as they start building a life together - working parents, growing family, school tension, economic stress, and weight gain - and just how they are overcome. From this appealing metaphor we can obtain accessible wisdom and applicable insights which can be applied for achieving happiness and wellbeing in our own lives.
