

# Holly Molly And a Stocking Full of Cole

In Molly Reys dreams, she is a happy, stress-free young woman. In reality, she is overworked, underappreciated, and struggling to get along with her father. When she gets into some trouble at home, she is immediately sent to live with her Aunt Bea in no mans land. Far away from city life, Sherrif Anthony Crowe is subjected to a near death accident when he recues Beatrice Reys family pet from a river. The most elligible candidate to fill the Sherrifs shoes for the time being is his son, Cole. The job is a dream come true, until an unexpected visitor barges in. Molly arrives in Bellinger Heights to unwelcome circumstances. Everyone is in a frenzy getting ready for the town Christmas party, and the new sherriff has it in for her. Can she convince him that she is not the juvenile delinquent whom he believes her to be? She hopes so, because there is nothing else she wants for Christmas more than his love.
