

Lift Me UP! Service with a Smile: World-Class Quips and Action Tips to Brighten Up Your Services! (Lift Me UP!)

World-class quips and action tips to brighten up your service! Service is the currency that keeps our economy moving. I serve you in one business, you serve me in another. When either of us improves, the economy gets a little better. When both of us improve, people are sure to take notice. When everyone improves, the whole world grows stronger and closer together. What goes around, comes around. What you send out does come back. Service is a two-way street; life is, too and hundreds more!
