

Lights Bane (Daughters of the People) (Volume 2)

Daniella Nehring is a fierce warrior with a turbulent past. Born in the earliest days of World War II to unknown parents, she was raised by Rebecca Upton, one of the Peoples most notable leaders. Dani has always had questions about her parents identities, information Rebecca refuses to reveal, leaving a gaping hole in Danis own identity. Dani travels to New York on Rebeccas orders to search for the mysterious woman who stole a copy of the Prophecy of Light from the People. There, she teams up with Dave Winstead, an FBI agent working undercover with the Peoples most ancient and deadly enemy. Dave has a soft spot for the young warrior that divides his loyalties between her and the job he took in order to fulfill a promise he made a decade and a half before, a promise hes determined to keep, no matter what the cost. As Dani and Dave are drawn deeper into the hunt for the missing artifact, Danis immortality is jeopardized, and with it, her ability to reclaim the Prophecy tablet. When she learns the truth about her heritage, Dani must confront her past in a struggle that will change her life forever.
