Off-limits. That's how Mac McLaughlin sees her, anyway. And now that he's enduring a temporary self-imposed exile in tiny Shelbyville, Texas, he's seeing her way too often. Mac only wants to succeed as the contractor for the Lily Lake development in order to rebuild his reputation and return to Dallas, pronto. A sexy distraction like Ashton was not in the plans. Mac McLaughlin: Hot builder. Cash poor. Hands-on. Ashton kissed her trust fund goodbye and left her life as a society princess to prove she could make it on her own. Developing Lily Lake is her big chance, but it's hard to stay focused working side-by-side with bossy, rough-around-the-edges Mac. Especially when he pulls off his shirt. When the discovery of an endangered species derails the project, Mac can't afford to stick around for a stalled job. His and Ashton's explosive chemistry aside, he's outta there...unless she can convince him that they just might be able to build something together. 86,000 words Texas Nights series in order: Personal Assets - Cameron & Allie Running the Red Light - Jamie & Roxanne Problems in Paradise - Beck & Eden Designed for Love - Mac & Ashton **REVIEWS**:...this one has a love scene that should go down in the romance novel hall of fame. - The Book Review Hilarious antics, sassy banter, and sizzling chemistry add up to one fantastic story as Mac and Ashton stumble their way toward happily ever after. - Tracy Brogan, International Bestselling Author Had me laughing from page one!
