Scotland was in desperate need of a different kind of drug and Knight was the perfect remedy. As soon as they met she knew they were meant to be. Scotland was sure that Knight would be the one to replace the hole in her heart and make her complete. The only problem was he was taken. Knight's fiancée Lennon and numerous other obstacles stand in their way. Ripped and torn into a million little pieces, Scotland fights her way through jealousy, lies and betrayal hoping she'll be able to piece the parts of her tattered heart back together again. Paper Heart promises to be an uplifting story about the true power of love.
