

This collection contains all three books of the Pursuit series: The Pursuit of Passion, An Everlasting Pursuit & Relentless Pursuer. Romantic Suspense -- Due to strong language and descriptive sex scenes, this book is not intended for readers under the age of 18. Adam Garnett has been known for his utterly good looks, brilliance at closing multimillion-dollar business deals, and failed attempts at seducing his boss, Taylor Edelman: The beautiful widow of Adams best friend, Jack. Three years after her husbands death, Taylor Edelman is still determined to keep her heart locked away from men, particularly the ultimate flirt and notorious womanizer named Adam Garnett. She had better take care; his tantalizing words, sweet promises, and provocative gestures are threatening to break through her defenses and irrevocably get under her skin. When Adam risks his life to rescue her during a vicious assault, Taylor can no longer find it in her heart to ignore his burning desire and obsessive lust for her. Will she be able to leave the past behind and open up her heart to Adam, despite the very real danger of having her already fragile emotions crushed?
