

Ransom (Ransom Series Book 1)

The first book in a brand new romance series from USA Today bestselling author Rachel Schurig.
Daisy Harris has no reason to suspect that her day will be any different than usual. She'll get through it the way she always does alone. She won't speak or make eye contact. She'll do her best to go completely unnoticed. That's what life is like for Daisy now: an endless cycle of loneliness and fear. A life lived hiding behind the walls she so faithfully maintains. Then she sees it. A magazine, left behind on a table. A simple picture just his face. And it changes everything. It's been a year since she's seen Daltrey Ransome. A year since he and his brothers left town to pursue their dreams of rock and roll superstardom. A year since he left Daisy behind, left her to watch as everything she knew crumbled around her. She's been running from Daltrey ever since, desperate to keep her secret. But she can't run anymore. And now that Daltrey has found her, the girl he's loved his entire life, the girl he'd give up everything for, he's determined never to let her go again.
