

## His Conspiracy Girl (An Emerald City Novella)

Ten years ago, a horrific Mag-Line accident stole Camdens limbs, his family, and his faith in people. Technology replaced his missing parts with synthetic ones, but it cant bring back his sister and niece. If he cant have the life he lost, hell settle for justice, by exposing CyGes, the company who built the faulty train that caused the accident, as the corrupt corporation they are. When Morgana meets a sexy guy with synthetic vibrating fingers, she just wants a hook-up for the night. She doesnt expect him to be the primary subject of the documentary shes in town to shoot a look at why CyGes is a world leader in technology. Even worse, he seems hell-bent on taking down her employer, and dragging her along for the ride. Publishers Note: This story was previously published as part of the Return to Emerald City collection.

Kevin and I tried five different restaurants, all of them good in their own way, and all of them There were all sorts of silly conspiracy theory explanations for this, the most had been designed by a man who liked having to peer closely at womens chests. ..
