

## Over Her Knee (Becoming Hers Series Book 1)

Blake is in community college, and working as a waiter at retro 50s diner. At school, he's not interested in the girls he meets at parties. It's the mysterious woman he waits on at the diner who captivates him with her commanding presence. When Victoria leaves her business card with the bill, Blake realizes that he has a world of experiences to explore with this enchanting, dominating woman...and it must start with him over Victoria's knee. She won't kiss just anyone... and her smiles must be earned. But there's something about the young man who bares his deepest secret to her, and lets himself be vulnerable, that might just open Victoria's heart. Mature sexual themes including power exchange.
