Fate Doherty, marketing director of Detroit's second largest dating service, is on top of her game—until she learns she must share close quarters with longtime rival and sexy bad-boy, Gabe Ryan. What's worse, he seems hell-bent on rekindling the old flame she thought she'd smothered years ago, until... Gabe is on a mission, and his strategy is simple: he'll do whatever it takes to get flame-haired Fate back in his bed, including risk more than their careers. But his lies shatter the tenuous trust he earns, leaving both their futures in the hands of fate.
