

The Club: Ethan (The Club Series Book 1)

Her name was Mia. Rich girl, law school drop-out, smart, crazy sexy, and in over her head with me from the moment I rescued her on the side of a South Florida road. She's going to require some delicate handling on my part. Maybe that's what challenges me about her. Her innocence. She'll play my games. They all do. I train them, and they love what I give back. I need them, too, but only the sex; it keeps the nightmares away. I'm addicted to the game, to the action, to the control. I'm good at what I do. I own a piece of Command Performance, one of South Beach's hottest sex clubs. But no one owns a piece of me. Not the army. Not anymore. Not even Mia. Not yet. Jenna Elliot has been writing since she was a baby gator at the University of Florida. What started as sweet romances soon turned into steamy new adult novels. When she's not writing or researching (wink!) Jenna enjoys spending time with her adopted Basset Hound and cat, Sherlock and Watson, cooking new recipes from Pinterest, and binge watching Netflix. Her life goals include being a contestant on a game show, writing a book (check!), and conquering her resting bitch face. Jenna is a lover, not a fighter.
