

The Magic Hunt (Midnight Hunters)

With her Pack under siege by humans and Praeterns, Sylvan turns her back on the government that has marginalized her wolves and threatened their survival. Hunted by human extremists, targeted by the Shadow Lords who fear her growing power, and beset by enemies masquerading as friends, Sylvan leads the Timberwolf Pack deep into the Adirondack wilderness where she challenges her allies to prove their loyalty on pain of death. Drake, Sylvan's mate and mother of their newborn young, struggles to shield Sylvan from the feral rage that threatens to turn Sylvan rogue, destroying their union and their pack.
