

As the eldest son of a legendary Texas dynasty, Zane Foley had a legacy to live up to. But right now the single dad had a more pressing concern: finding a nanny for his little girl. Melanie Grandy seemed made to order. She'd already enchanted Zane's daughter—and now she was working her magic on the wary widower. Talk about getting the royal treatment! The minute Melanie met father and daughter, it was instant love. But her Cinderella story came with a secret—one she could never reveal or she'd lose her chance to be part of a real family. Unless Zane was willing to forgive the past for a future...with her.
