Bleu soon realizes, that love rears its head when she least expects it, in the unlikeliest of places and that sometimes family can come in all shapes and sizes.

There Goes the Neighborhood: In Riveted you were introduced to spunky Bleu Drawn, her brother Axel and her father Aaron; as well as everyone else in their crazy family. But how did it all start?

1983. A bad boy biker named Aaron Drawn, who makes ridiculously reckless choices, meets up with the nicest, sweetest girl next door Angel Lonero, when she is his nurse after he gets shot. He thinks she wants the picket fence, 2.5 kids and Sunday dinners. What she really wants is a bad boy with a heart of gold who can make her heart race and her toes curl. Can he get past his demons and trust her with his heart? Can she get over his past, including a very mentally unhinged ex girlfriend who has a fetish for sharp knives? ** This is Angel and Aarons story and it does not have your typical happily ever after ending.**** Caught Up: Once upon a

time there was a wounded Prince who fell in love with an Angel. They got married, had crazy babies and everyone thought that

they would live happily ever after. Everyone was wrong. Dead wrong. Twelve years after the death of his wife Angel, Aaron Drawn is out of prison and attempting to pick up the pieces of his shattered life. Only, its not going so well. His days are filled with work and his nights are filled with liquor and women. That is, until a little tattooed pixie of a woman dances into his life and completely takes over. Before he can even blink, she has turned his world on its ear and he cant seem to get enough of her. The only question is, is it too late for Aaron to get a second chance? Chloe Van Zant has lived in the shadow of her loving, but larger than life parents and her perfect sister. When she moved to Jasper Falls, she finally found acceptance and a home alongside her new friends and co-workers at Insatiable Ink and Cycle. Then she meets Aaron Drawn and her world comes screeching to a halt. Hes hot, dangerous and old enough to be her father! Ignoring the haters and naysayers, she sets out to help him see all the good things in his life and maybe talk him into her bed. A girl can try cant she?? Sometimes a Princess is an unconventional, tattooed, bundle of energy and sometimes the Prince is the one who needs to be rescued. and everyone knows there is always room for a second chance or two. ****CONTAINS EXPLICIT LANGUAGE, SEXUAL SITUATIONS AND SOCIALLY SENSITIVE TOPICS.
