

Following *Playing Hard to Master* and *Finding Master Right*, Sparrow Beckett delivers a seductive tale of surrendered innocence with this third novel in the *Masters Unleashed* series.

Konstantin, a powerful Dominant, is used to fast living and wanton submissives. But after years of his grandmother haranguing him to marry, he agrees to meet a girl from her rural Russian village. Naturally submissive, Varushka turns out to be everything Konstantin wants in a woman. At first her innocence is disturbing, but her enthusiasm for life captivates him. When their relationship becomes a mutual seduction, Konstantin introduces Varushka to wicked pleasures she never imagined. His attentive care wins her absolute devotion. However, when Varushka's father finds out about Konstantin's past, he whisks her back home to Russia.

Will Konstantin fight to reclaim her, or will his guilt convince him to relinquish the only woman he's ever loved?
